NOTES: Parcels where digitized from town of Warren Tax Assessor Maps, originally produced by the James W. Sewall and Company, 1988. Updated by Northwest Conservation District, 2008-2016. This map is not to be used as an accurate survey or as a substitute for field assessment. Hydrographic features are based on USGS topographic quad sheets, original James W. Sewall data and the Soil Survey Geographic (SSURGO) database. Parcels boundaries are revised through October 1, 2015 to be coincident with Assessor's Grand List. This map document was revised on March 18, 2016 and is subject to change. For planning purposes only.
